Dear Parents and Carers

### **NSW Teachers Federation Industrial Action**

I have been advised that a number of teachers from West Pennant Hills Public School will be supporting the NSW Teachers Federation Industrial Action this **Tuesday 7 December, 2021**.

As I will only be able to provide minimal supervision for students on **Tuesday 7 December**, parents and carers are requested to make alternative arrangements for their children on this date.

However, students who need to attend school will be supervised at all times.

I apologise for any inconvenience.  
Yours sincerely

Donna Harris  
**Principal**
